mobilhouse

La MOBIL HOUSE è situata nella provincia di Verona (Italia). Questa è un'area di notevole interesse turistico e culturale resa famosa anche dal romanzo di SHAKESPEARE " Romeo e Giulietta ", ma soprattutto è un'importante e florida zona di produzione del mobile in stile. La MOBIL HOUSE nasce nel 1984 e da allora in suo compito è sempre stato quello di offrire ai suoi clienti mobili in stile classico partendo dalla produzione fino alla commercializzazione stessa dei medesimi. La nostra è un'azienda artigianale e a conduzione familiare che negli anni ha saputo coniugare le nuove tecnologie con le tradizionali tecniche di realizzazione del mobile in stile offrendo così un prodotto che ha mantenuto le tipiche caratteristiche artigianali rendendo ogni articolo unico nel proprio genere. Un'altra delle nostre peculiarità è quella che essendo un'azienda familiare questo ci consente di avere una certa versatilità e siamo quindi in grado di realizzare anche prodotti particolari su esclusiva richiesta del cliente stesso. La nostra produzione, tutta rigorosamente made in Italy, è realizzata con parti in legno massiccio e parti impiallacciate con diversi tipi di legno quali il Tanganica e il Rovere. I materiali utilizzati vengono controllati prima dell'utilizzo per garantire quella qualità che ci ha contraddistinto negli anni. I nostri prodotti sono tutti lucidati a mano utilizzando vernici alla nitro e catalizzate, spruzzati 2/3 volte dopo essere stati carteggiati per ottenere un mobile uniforme alla fine della lavorazione. La gamma dei prodotti da noi offerti è assai ampia e spazia dai complementi d'arredo quali porta tv, porta telefono, scrivanie, scarpiere etc. fino alle sale da pranzo complete. Molti dei nostri prodotti inoltre possono essere forniti con intarsio o con radica per assecondare i gusti dei vari mercati in cui siamo inseriti da quello europeo a quello asiatico. Facciamo presente che il sito mostra una minima parte dei prodotti da noi offerti; per conoscere le nostre collezioni Vi invitiamo a contattarci per richiedere i cataloghi completi.

Riportato sopra vi è stato dato un suggerimento di come sarà possibile comporre le nuove librerie della serie Berna.
Potete acquistare separatamente i cassetti in base alle Vostre esigenze ma al momento dell'ordine gradiremmo sapere dove intendete posizionarli per evitare danneggiamenti degli stessi in fase di trasporto.

Ad esempio: Art. 2107 con 3 cassetti (art. 2109) nei vani 2, 5, 8. Ad ogni modo in un secondo tempo potete spostare i cassetti a Vostro piacimento.

*On the sketches above we have given to you a suggestion how to compose the new bookcases of Berna collection.
You can buy the drawers separately as you want, but on the order we would like to know where you are going to put them to avoid their damages during the transport.*

Example: Art. 2107 with 3 drawers (art. 2109) into the spaces 2, 5, 8. In any case you can move them where you like.
